

Hi Libor

My name is František. I'm 34 and I'm from the Czech republic. I live in Střelice near Brno. This is in the south of Moravia. I'm a soldier. I work at 22nd air base in Naměšť nad Oslavou and I'm studying English because I need it for my job.

I'm married and live in a house with my family. My wife Eva is a nurse. We have two sons František and Ondřej. They are 10 and 8. They are students at the elementary school in Střelice. They train football twice a week and in spring they have a match every weekend. I like playing football with them.

At the weekend I relax with my family. When is hot we swim in our swimming pool and make lunch and dinner. When is warm and sunny we take the dog for a walk or we ride a bike. We have a cottage where sometimes going. Our cottage is in a small wine town in south Moravia near border with Austria. There we grow apricots and wine.

Also I like listening to music and playing games with my sons on Xbox. My favorite music is rock and punk. I and my wife like watching movies for relaxation.

Please write soon.

Best wishes

František

Máte to moc dobré Františku. Je tam hodně informací, navazuje to na sebe a dává to smysl. Jediné co tam chybí je to, že když píšete příteli, měl byste se také zeptat na to jak se má nebo co dělá a podobně.
